franco-becerra

I'm a junior programmer and architect who thrives in high impact spaces, ambitious teams and great culture.

I love working closely with technology, our society and people. As a junior programmer, I'm open to learn and adapt to new ways of work, new skills and new industries as long as I'm solving meaningful problems that help people with simple and memorable solutions. I care a lot about culture and always seek to make authentic relationships with the people I work with.

Skills

- **Programming** [Python, Selenium, HTML5, JavaScript, CSS, Shell, Docker, RPA]
- **MS Office** [Word, Excel, PP, Outlook]
- **Graphic Design** [Photoshop, Illustrator, Autocad, Indesign, Canva, Drafting]
- **Research**
- **Project Management** [KPIs/KPOs Strategic Planning, Team Building, Scrum]
- **Oral/Visual Communication**
- **ITIL** [Change Management]
- **Marketing & Community Management** [Journey Mapping, SEO, Interviews, A/B Testing]

Education
